Annual Scientific Meeting 2016
St Andrew's Hall, Norwich

WEDNESDAY 16th MARCH

Registration from 12.00 with Refreshments

12.00 – 13.30 **BHS EXECUTIVE MEETING**
BHS Officers only

Room: Paston

13.30 – 15.45 **NON ARTHROPLASTY HIP SESSION**

Room: The Crypt

Chair: Johan Witt

Training in Young Adult Hip Surgery and starting as a new Consultant

Personal Perspectives: Tom Pollard and Ajay Malviya

CASE PRESENTATIONS AND DISCUSSIONS

Faculty: Tony Andrade, Marcus Bankes, Jon Conroy, Max Fehilly,
Ajay Malviya, and Tom Pollard

The aim of this session will be to encourage trainees and recently appointed Consultants to come and give their thoughts and find out about training opportunities in young adult hip surgery.

NAHR WORKSHOP

Chair: Marcus Bankes

The aim of this session will be for those already contributing to the NAHR and those who would like to or are thinking about it, to come and review/learn about data entry and learn about the different reports that can be generated from the registry.

It will be an opportunity for individuals to say what they would like to get out of the registry in terms of their own patient follow-up and how the registry can be set up to provide research opportunities on an individual and collective basis.
